Professional Summary

Highly skilled and motivated Full Stack Web Developer. Demonstrated ability in successfully building both solo and collaborative projects. Possesses strong technical expertise in MERN-stack, coupled with excellent problem-solving and communication skills. Ready to contribute to innovative and impactful web development initiatives.

Projects

ShopCart　Live Demo Link　Github Repo Link

React　React-Redux　Chakra-ui

- Designed and implemented a responsive homepage using React.
- Implemented user authentication for secure access to the e-commerce functionalities.
- Developed product pages with multiple filters for ease of browsing and searching.

Myntra Clone　Live Demo Link　Github Repo Link

HTML　CSS　JavaScript

- Developed product and product detail pages for a Myntra-like website, featuring robust filtering options and a user-friendly interface for seamless shopping experiences.
- Implemented responsive design to ensure optimal viewing experience across various devices.
- Enhanced the product detail view to display comprehensive item information alongside images, enriching the user's understanding before making a purchase.
